## SPRINGS WINDOW FASHIONS SCHOLARSHIP

Springs Window Fashions is one of the largest private employers and taxpayers in the Grayling area. We employ more than 80 associates, and support many local businesses. When we seek new associates we focus on persons who have solid math, reading, & reasoning skills, and persons who can interact well with others in a team environment. Dependability and an excellent attendance record are required traits of candidates. We look for candidates who have common sense, and who can quickly become comfortable in making decisions.

Springs Window Fashions offers up to \$500 with its scholarship to reward and promote employment skills. We are a business partner in the growth and development of the Grayling area workforce, and plan to grow our business with local talent as much as possible.

The *preferred* scholarship recipient is a Grayling area student with---

- Excellent attendance in high school
- Demonstrated initiative and decision-making
- Better than average grades
- Plans to attend 4-year college to prepare for a business-sector career.
- Parent or immediate relatives working at Springs' Grayling plant

Grayling High School staff will screen candidates, and recommend the top two candidates to be interviewed by Springs Window Fashions for final selection.

The scholarship will be in the form of a check written jointly to the student and the respective college/university, prior to the start of the Fall term.
