

Grayling Middle School
500 Spruce Street, Grayling, MI 49738
989/344-3558

Dear 6th Grader and Parents,

If you want to start your shopping before the first day of school it may be helpful to have a shopping list now. The following items will be required for students in 6th grade classes. **Remember backpacks have to be able to fit in the lockers. Backpacks with wheels do NOT fit!**

Pencils are needed for all classes, all year! (So buy lots!!!)

Many of these items are 10¢ at the back to school sales!

Language Arts

1-pocket folder
2-spiral notebooks

Math

1-pocket folder without prongs
Calculator (See letter on back)
1-spiral notebook

Thematic Studies

1-pocket folder
1-spiral notebook

Science

1-pocket folder
1-spiral notebook

Social Studies

1-pocket folder
2-spiral notebooks

Required for all Classes; All Year!

Notebook paper
Pencils and pencil organizer
Red pens
Eraser
Box of kleenex for homeroom (if possible)

To be successful this year, we also recommend that every student have the following items at home to help with homework.

Paper Pencils Colored Pencils Ruler Dictionary Scissors

The 6th Grade Staff

Special Note!

Fundraising for 6th Grade Camp will start in September. Camp is an exciting experience for students. We will be looking for parent chaperones to attend camp. Chaperone forms will be sent out in January with pertinent information. If you would like to be a chaperone at camp, fill out the form in January and turn it in right away when you receive it. We will not take any chaperone names until forms are sent in January!

Dear Parents and Guardians:

Middle school students will be required to have their own calculators. This calculator should be a scientific calculator and solar powered. Students will be able to use this calculator while they are at the middle school and for some classes at the high school. We recommend the TI 30XIIS, but any scientific calculator will work. The average cost of a scientific calculator is about \$14.00. They are available at our local K-Mart as well as Target or Wal-Mart. If you are unable to buy a calculator, please contact your child's math teacher when school begins.

If you have any questions please contact Brenda Tuskan, Math Department Chairperson, or Jeff Branch, principal, at 344-3558

Sincerely,

Brenda Tuskan

Jeff Branch
