Science	20	16	16	17

*EXPLORE is an assessment that we use to monitor progress of the students at Grayling High School. It is given to all of our freshmen in the fall of each year beginning with the fall of 2007. EXPLORE is part of the ACT series of assessments and is comparable with the ACT. The ACT organization has conducted studies to determine what successful college students had scored on their EXPLORE assessment in their freshman year of high school and determined the college readiness standards accordingly.*
